SUMMER SPECIAL NEEDS
ENRICHMENT PROGRAMS

Hello BAISD students and Bay County residents with special needs and caregivers/guardians,

Disability Services Resource Center (DSRC) is excited to announce that the Summer Special Needs Enrichment Programs (SSNEPs) have a new theme for all four groups and it is "USA 250!"

We are completely thrilled to again offer Blooming Meadows (ages 5 to 12), Greener Pastures (females ages 13 to 20+), Open Fields (guys ages 13 to 20+), and Rolling Hills (ages 20+ to 36)! So, between all four of the programs, we will be able to assist those ages 5 through 36. How cool is that?!!

The 2026 programs will be held June 15th - July 23rd at Bangor North Preschool building on Mondays, Tuesdays, and Wednesdays from 10 a.m. – 2:00 p.m. PLUS, Thursdays will be Community Experience Days also from 10-2 with arrival and departure right at the day's experience venue. More details are on the enclosed Pre-Admission Forms for each program. Yes, we have included one Pre-Admission Form for each program as, you may, have someone else to pass the additional forms along to for consideration of their participation! As we don't have everyone's birthdate, we will need you to review the enclosed forms and help determine if/where you/your loved one fits age and ability-wise. (Just an FYI, DSRC is also a licensed childcare for our under 13-year-olds)!

PLEASE NOTE: the Pre-Admission Form needs to be completed and returned NO LATER THAN May 29, 2026, directly to DSRC (sooner is always better)! Once a review is completed by our SSNEPs Program Director, Diane Rapson Gabil, for verification of your loved-one's needs and proper placement in the correct program, we will reach out to you via email with a Registration Form, Medical/Health Form, Media Release Form, the SSNEPs Code of Conduct/Rules, etc. All of these forms **MUST** be completed and returned to DSRC with payment by June 8th; yes, BEFORE attending the program.

Payments for DSRC's SSNEPs must be made directly to DSRC after you've received approval of participation and be paid in full before participating in the 2026 program. Payment plans can be arranged directly through me at DSRC.

But, for now, please check out the Pre-Admission Forms and complete the appropriate one, sending it directly back to us. Let me know if you have any questions.

We look forward to working with you in 2026!

WHY ATTEND?

A 2025 SSNEPs participant said, "I love being around my peers and doing fun activities."

A SSNEPs parent said, "DSRC's summer programs offer much needed respite time for the rest of our family while our loved one is well cared for and we know they are having a great time!"
